

And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work.

*As is it written,
"He has distributed freely, He has given to the poor; His righteousness endures forever."*

*He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness. You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God.
2 Corinthians 9:8-11*

Relationships

I proclaim boldly that this is His Ministry and His Mission, and it is for His glory, as we walk through the end of 2018.

God actively calls us into a relationship with Him, and it is in "relationships" at Main Street Ministries, Inc. that He is revealing His goodness, and grace.

He is establishing new relationships as He brings new staff on board in His ministry.

He is restoring broken relationships in the lives of people who walk the halls.

He is challenging and holding His children accountable as He asks us to keep our eyes on Him and not be held in chains to the traumas of the past.

He is stretching the worldly definition of who our neighbor is and opening eyes and hearts.

He is powerfully giving new life and fresh beginnings in the relationships between mothers and children.

He calls His people to give generously and pray without ceasing to fulfill His mission here, and you have all responded without hesitation.

I am truly humbled to be witness to our amazing God work through so many different people in so many ways as he moves to meet the needs at MSM. I look forward with anticipation to the "relationships" that will blossom under His gentle care in 2019.

Blessings in the name of Jesus!

18 Years Later

Everybody's story is different.

Some people experience God's love and grace totally "normal", yet others go through life with extreme ups and downs.

I always experienced life as a very difficult adventure. I didn't understand why my life had been so painful and difficult until 18 years later.

Oh my how my Father has blessed me! God gave me the answers to all these questions May of 2018. That's when I moved my family to MSM.

18 years later, God completed the circle that been so broken and meaningless. I finally had my answers!

God brought me to a place where He can turn the tears to smiles. He can turn the pain to joy. I can finally use my life experiences for His glory and for His joy.

You see, not everybody's story is the same. Not everybody's life is the same. God sends us down different paths for different reasons.

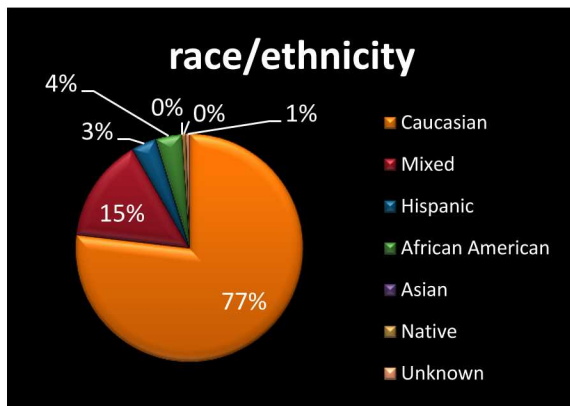

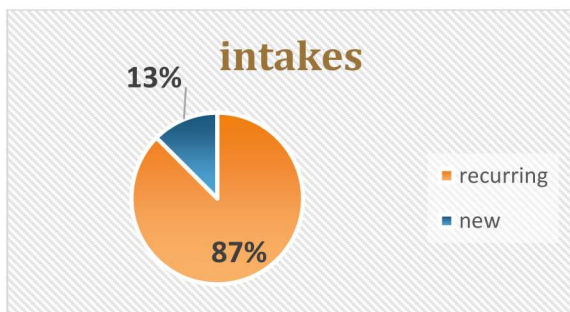

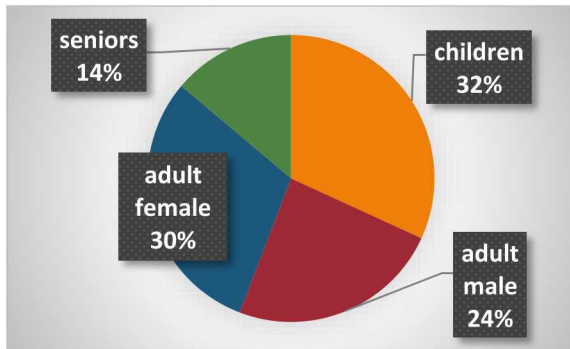

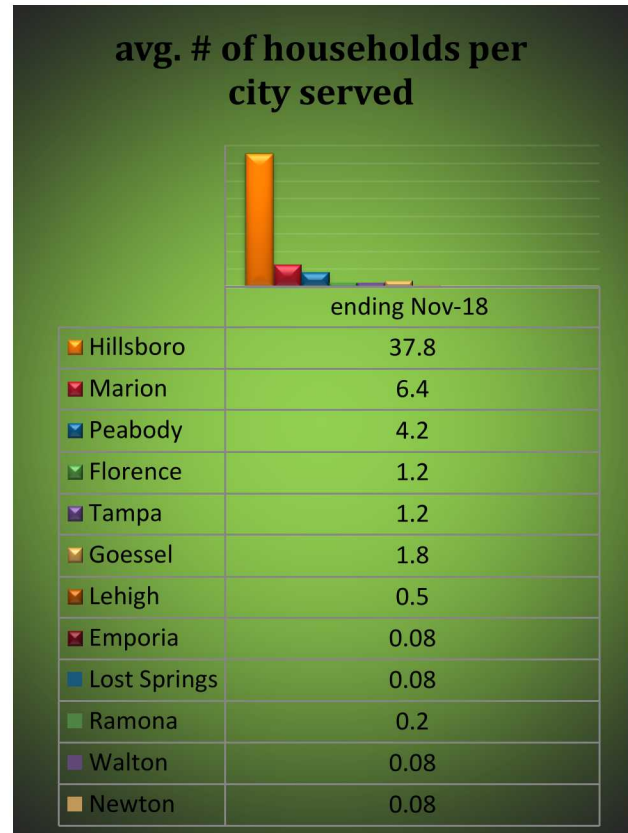

It's finding God's grace in the storm. It's looking to the side of you and seeing God's hand reaching out to you. It's feeling God's love despite the reality of your situation.

The Lord gives strength to His people; the Lord blesses His people with peace. Psalm 29:11
